

Guidelines for students (available also at the subject webpage)

Presentations upload – BM01

1. Sign in to Moodle (<https://moodle-vyuka.cvut.cz/course/index.php?categoryid=58>) to your subject (B192-123BM01).
2. Upload your presentation to the folder **Presentations to check** until **23.3.2020 23:59**. Use the .pptx, .ppsx, .ppt or .pps file format.
3. The lecturer will check your presentations and give you a feedback in form of comments, recommendations or suggestions. You will be notified via email.
4. After addressing all the lecturer's comments and suggestions, please upload again the modified version of your presentation to the folder **Presentations to check**.
5. If the lecturer is satisfied with the presentation, it will be marked as **Submitted** („Odevzdáno“ in Czech)
6. After approving your presentation by the lecturer, please upload the final version of your presentation to the folder **Final presentations** until 24.4.2020 23:59.
7. The evaluation phase will be available from 25.4.2020. The students are obliged to check the other presentations and write brief comments following the instructions in the form. This is supposed to be done until 9.5.2020 23:59.
8. Students whose presentations have been approved before via email can upload their presentations directly into the folder **Final presentations**.

Reading and commenting the presentations is a condition for the assessment!
